SAMANTHA BELLO BACELIS

3D ARTIST | CHARACTER & ENVIRONMENT MODELING

(+34) 684028546   **samy.bello2809@gmail.com**   **Linkedin**   **Artstation**

PROFESSIONAL SUMMARY

3D Artist specialized in character and environment modeling, with complementary technical skills as a Technical Artist. Skilled in modeling and texturing assets for games, animation, and real-time engines (Unreal/Unity). Passionate about the gaming and entertainment industry, eager to contribute creativity while continuously developing my skills in professional projects.

EXPERIENCE

Freelance 3D Artist
Remote (2022 – Present)

- Modeled and textured characters, environments, and props optimized for Unity/Unreal real-time engines.
- Produced PBR textures in Substance Painter; integrated assets with optimized UV layouts, baking, and shaders.
- Developed skills in retopology, asset optimization, and pipeline efficiency.
- Created game-ready content for personal and collaborative projects.
- Managed workflows with Trello, Perforce, and Git, simulating professional production pipelines.

3D Environment Artist Intern - SimRally
Barcelona, Spain – 2022

- Optimized assets for environments in a racing game set in Spanish circuits.
- Ensured models met performance requirements while maintaining visual quality.
- Collaborated with the team to integrate assets efficiently into the game engine.
- Independently managed workflow and met project deadlines.

EDUCATION

Animum Creativity Advanced School - Master's in 3D Character & Creature Modeling
2024 - 2025

ENTI – University of Barcelona - Higher Degree in 3D Animation, Games & Interactive Environments
2020 - 2022

SKILLS

Technical Skills

- 3D Modeling & Sculpting: Maya, ZBrush, Blender
- Texturing & Rendering: Substance Painter, Marmoset Toolbag, Photoshop
- Engines & Tools: Unreal Engine, Unity, XGen
- Other: UV mapping, Retopology, PBR workflow, Baking

Soft Skills

- Teamwork & Collaboration
- Problem Solving
- Adaptability
- Self-taught & Continuous Learner
